One of our 2nd grade students, Eveline Garcia, was recently diagnosed with Acute Lymphoblastic Anemia. She will need to stay at home while she is undergoing treatment, and we would love for our school community to help support Eveline and her mom as they fight this battle. To coordinate helpers, Eveline has a Care Community, Support for Eveline, on the website lotsahelpinghands.com. You can sign up to volunteer to help on the calendar where help needed will be listed by date. If you are interested in helping out, please [email Nicole Son](mailto:Nicole.Son) (2nd and 6th grade parent) and she will send you an email invitation. Once you accept the invitation, you can see Eveline's care page and sign up for volunteer opportunities. Thank you all for your support and prayers for Eveline!

Interested in coaching **Basketball**? We already have 2 coaches on board. This is a great way to teach our students the game, earn service hours, and have fun!

If you received an immunization letter from the office, please make sure to turn in a copy of your child's immunization records a.s.a.p. Thank you!

Just a reminder, all adults who plan to chaperone or volunteer during the school day must be fingerprinted through the Archdiocese and must be Virtus certified. Here is the [link](#). Please see [calendar](#) for fingerprints.

Please click for a few [Library Notes](#) from our librarian, Mr. Ayala.
