Mission Statement

St. Bridget of Sweden School, recognizing that parents are the primary educators and teachers are facilitators of learning, provides an atmosphere conducive to the maximum development of all students, enabling them to become well-integrated individuals with Catholic principles, values and attitudes who are capable of living their lives according to the Gospel of Jesus Christ.

We hope that you had a blessed three-day weekend. We would like to thank those of you and your family members who have served or are currently serving our country. Thank you for your sacrifices and bravery! We salute you.

Student-led Parent Conferences are scheduled for Nov. 20-Nov. 21. Students in grades 2-8 must be present during the conference. You will be receiving your child's report card during the conference.

WE NEED YOUR INPUT! We have only received 5 responses. WASC/WCEA The Western Association of Schools and Colleges (WASC) and The Western Catholic Educational Association (WCEA) require that Catholic schools undergo a self-study as part of the accreditation process. To start the process, we would like your opinion on how effective the school's staff, programs, and facilities are in meeting the needs of your child; what you see as our greatest strengths; and where you feel we need improvement. This information will be used to facilitate our self-study this school year. We appreciate your feedback. Thank you! <https://forms.gle/o8g88DorRunddEUV8>
