LIBRARY NOTES:

"State of the L & L"

Clearly the **State of the Library and the Librarian** is tied to the School's. But Tuesday's School Meeting occasions my sharing this reflection. Veteran members of our school community should be aware of our Library's collection growth from 2,000 books in 2006 to our current quadrupled size of over 9,000 books. And, as I noted in an earlier Newsletter, **it took a Village** to make such growth possible. However, even more important is the **use of the Library and its resources**, for which family support of students' interest in reading is critical. When it comes to the state of our Library's operation, this aging volunteer Librarian welcomes whatever

service hour aid our SBS community can provide during our M/T/W schedule. I am most grateful for the parental aid last week that improved the cleanliness of the Library environment for our students. Know that the **Welcome Sign** is always out for support of our School Library Ministry.
