Happy Summer Vikings!

I pray this note finds you enjoying a nice relaxing summer vacation. While it has been quiet around school without you all, it sure has been busy! The Shea foundation has been working on renovating our ball field, fencing, lawn and garden, and will be starting work on our new playground equipment on August 5. The Archdiocese will begin work on our roof next week.

We will be having our Back to School Social on Saturday, August 17. Our parent meeting will be in the auditorium and start at 3:30 p.m. After the meeting, you will be able to visit your classrooms.

Our first day of school is on Wednesday August 21. Dismissal for the first week of school is at 12:30 p.m.

Please check out our new website: [www.stboss.org](http://www.stboss.org).
